

Rule Of Business

rule of business

rule of business pdf

A business rule defines or constrains some aspect of business and always resolves to either true or false. Business rules are intended to assert business structure or to control or influence the behavior of the business. Business rules describe the operations, definitions and constraints that apply to an organization.

Business rule - Wikipedia

The business judgment rule is a case law-derived doctrine in corporations law that courts defer to the business judgment of corporate executives.
