Boston Public Schools (BPS) is a school district serving the city of Boston, Massachusetts, United States

### **Boston Public Schools - Wikipedia**

Materials in a Universal Design for Learning (UDL) classroom are different. These materials will be used to give students multiple means of representation of concepts, multiple means of engaging in learning the concepts, and multiple means of expression for students to demonstrate what they have learned.

### **Supporting the Classroom with Materials for Instruction**

The purpose of this volume is to promote the examination of applied and theoretical frames of reference that operate in the GCC and to probe the relevant aspects of scale, proportion, and the grounding of education in the gulf region. The
