

## Sales Role Play Interview

# sales role play interview

## sales role play interview pdf

What is a role play interview? A role play is a mock simulation of a real-life scenario. When this exercise is employed in an interview, the purpose is to place the candidate in a situation that resembles the typical conditions of the job and to see how they perform. Role plays are widely used in recruitment, especially for customer facing or people management roles.

## How to Nail a Role Play Interview - Career Advice & Expert ...

A sales role-play scenario is common. Many sales recruiters use role-playing and situational questions as a way to assess candidates. There is no better approach than to see a candidate in action and see what they are made of. This approach gives companies a real sense of what the sales candidate can do and how they will interact with their customers.
