

Saline Solution For Nebulizer Walgreens

saline solution for nebulizer walgreens

saline solution for nebulizer pdf

Saline, also known as saline solution, is a mixture of sodium chloride in water and has a number of uses in medicine. Applied to the affected area it is used to clean wounds, help remove contact lenses, and help with dry eyes. By injection into a vein it is used to treat dehydration such as from gastroenteritis and diabetic ketoacidosis. It is ...
